

## **Breakfast**

Breakfast is one of the best things about staying in a hotel, and we have tried to create a great experience for you. We only buy local York bacon and sausage, and we think you'll understand when you see and taste it!

All of our breakfasts are cooked to order, so we appreciate your patience. One of the Hotel Noir team will come to your table to take your order for your cooked breakfast and hot drinks. While you wait - or for anyone feeling healthy - please help yourself to our buffet, with its selection of cereals, juices, fruit, breads, yoghurt, cheese and ham.

### **The ultimate is our full English breakfast...**

**Local dry cured bacon**
